Good value enhanced mineral oil formulated with Shell's innovative Dynamic Protection Plus technology, which features an advanced plus additive system that adapts to your engine's specific requirements.

All the benefits of R2 plus:

- ⊕ better engine wear protection
- ⊕ better acid corrosion protection
- ⊕ better engine cleanliness
- ⊕ suitable for high sulphur fuel markets
- ⊕ excellent sludge and deposit control
- ⊕ lower oil consumption
- ⊕ protection against breakdown by heat
