## BUSINESS STRATEGY

### Quality reliability

Our factory is ISO9001:2015 and IATF16949:2016 certified and supplies their products to KYB in Thailand.

### Wide range of model

They have more than 6,000 items mainly for Japanese cars.

### INFORMATION MANAGEMENT SYSTEM

- Keep learning for new technologies to develop and improve IT systems
- Develop manufacturing system
- Search for update information to benefit our customer

### 100% guaranteed by Sunami JAPAN

All of products are guaranteed by Sunami Industry JAPAN (guarantee is valid around 1 year).

### MISSION STATEMENT

We will only manufacture high quality products that exceed the customer's requirement

### Flexibility of MOQ

You can order 10-20pcs per item.

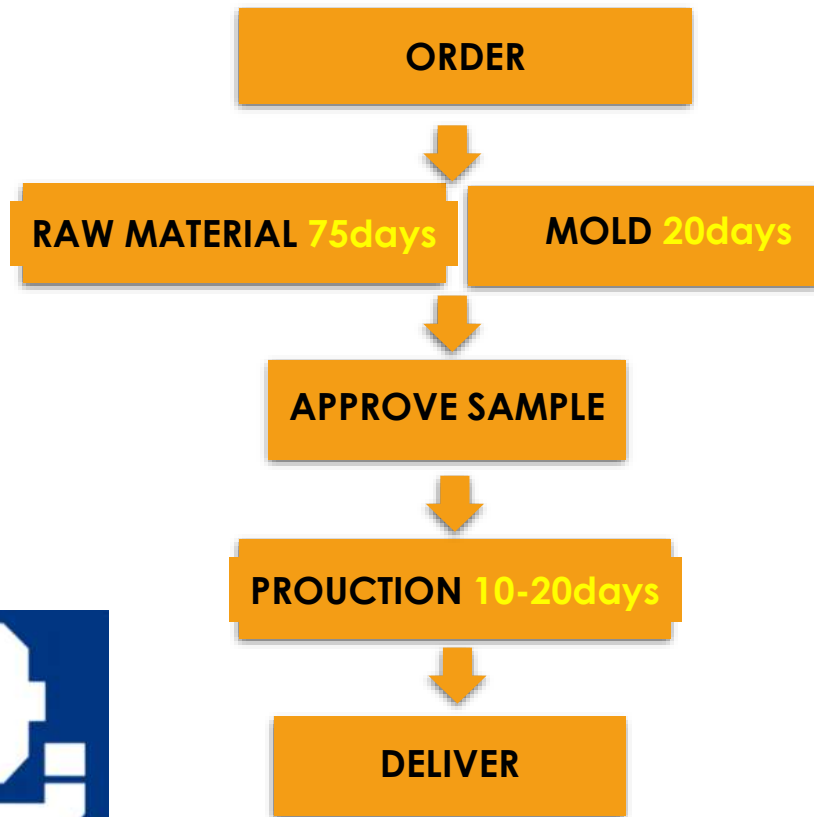

### Quality Policy

We commit ourselves to highest quality standard. All our products have to passed AQL standard right from start to finishes.

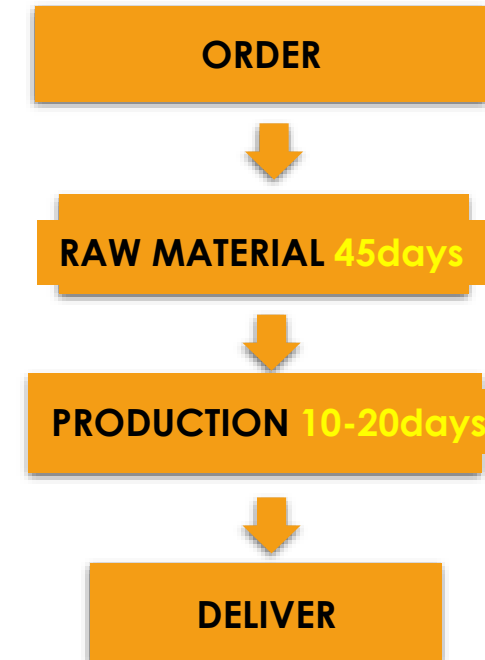

## PROCESS FLOW

### 90-120 DAYS NEW PRODUCT

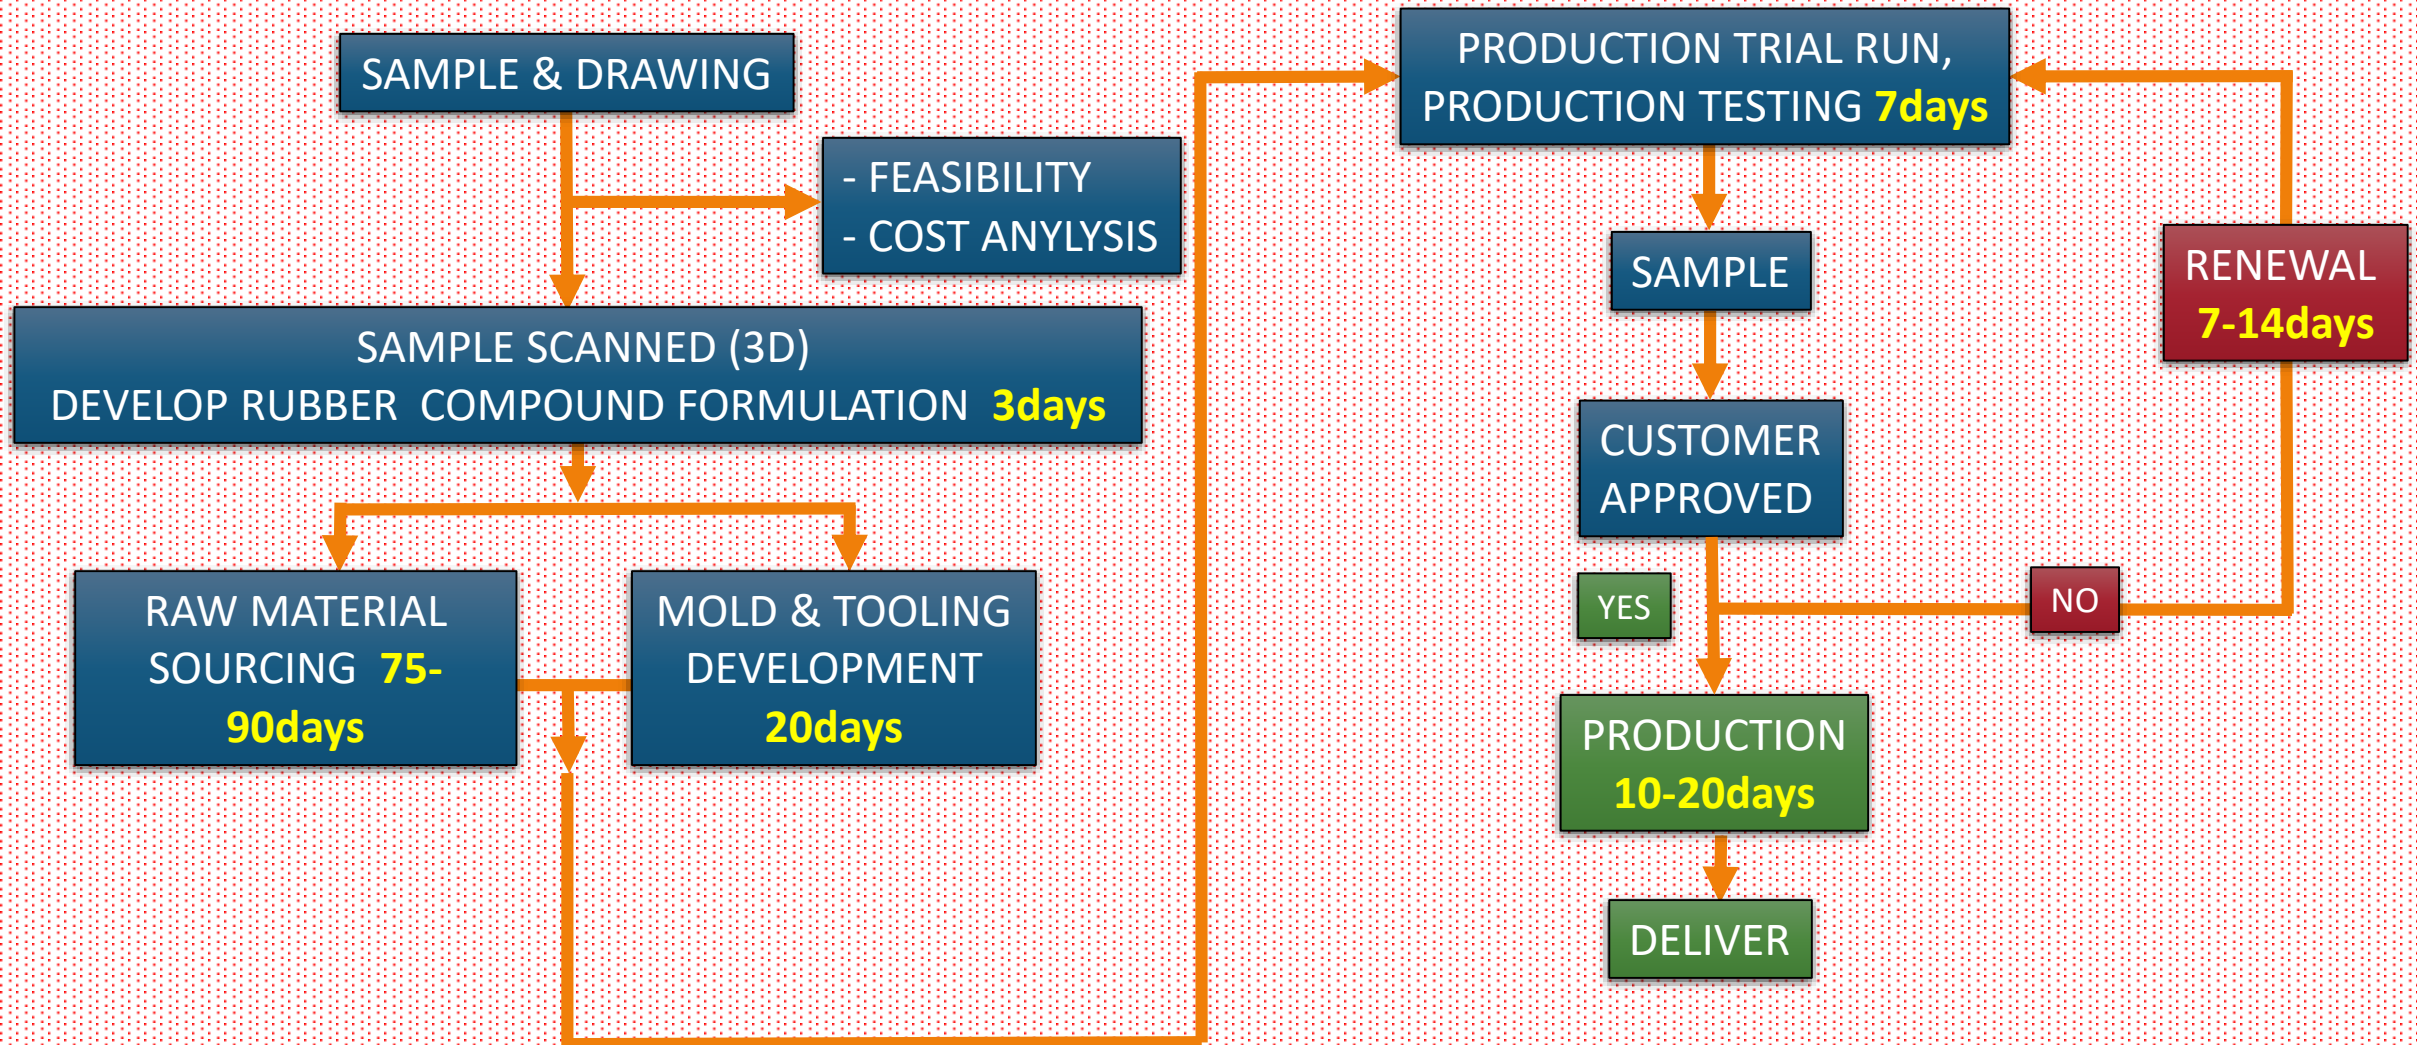

### 60-75 DAYS FAST MOVING ITEMS/ PRODUCTO REGULAR

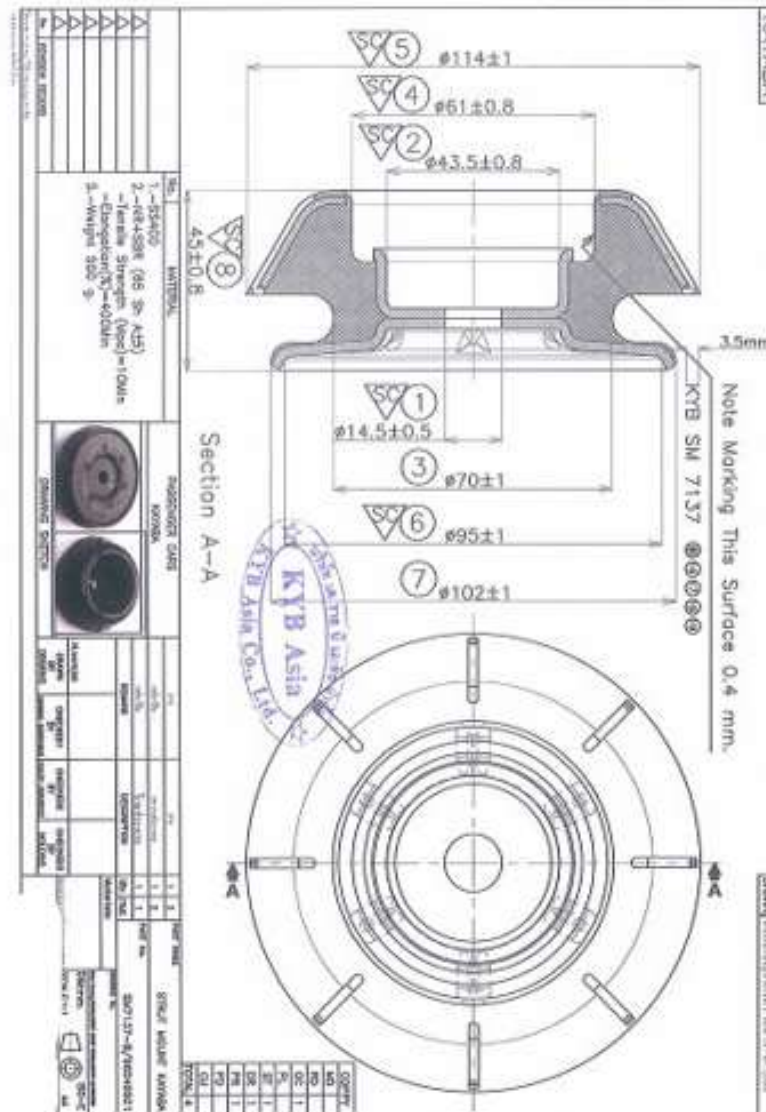

# Flowchart For New Product Development
